EDUCATION

University of Washington

BS Informatics, Minor in Business Entrepreneurship

- GPA: 3.74 – Dean's List Candidate all quarters

Seattle, WA

2023 – 2027

CREATIVE & CONTENT EXPERIENCE

Social Media Product Intern

HDmall

Jun – Aug 2024

Bangkok, TH

- Managed and produced Spotify ads, Instagram brand awareness campaigns, and TikTok content, accumulating 1M+ views on TikTok.
- Leveraged R to analyze cross-buying trends and CRM data, delivering actionable insights to marketing and CRM teams.
- Analyzed project outcomes to optimize content effectiveness, identifying opportunities to strengthen brand messaging and customer communication.

Co-Founder & Chief Product Officer

Montlake Card Co.

Sep 2025 – Jun 2026

Seattle, WA

- Built the brand and product from scratch — led creative direction, content, and campaign ideas across launch and weekly growth cycles.
- Ran wholesale and retail partnership decisions (pricing, channel mix) and owned the weekly business update cadence presented to the founding team.
- Managed end-to-end product and creative execution, from concept to shelf, in a fast-paced, always-shipping environment.

Founder & Director of Outreach

Private Equity Club at UW

Sep 2025 – Mar 2026

Seattle, WA

- Founded the club and built its outreach and content strategy from zero, designing the website and member-facing brand presence.
- Created a consistent social and event presence that connected members with industry professionals and deal exposure.

CORPORATE EXPERIENCE

Business Analyst Intern – Global Technology, Move Money & Zelle

Bank of America

Jun 2026 – Aug 2026

Charlotte, NC

- Owned requirements end-to-end for a Zelle Small Business feature, translating ambiguous needs into structured stories adopted by design, engineering, and QA.
- Ran the team's first backlog grooming session across 7 stories and served as day-to-day point of contact between product, design, and engineering.

Business Analyst Intern – Core Banking Digital Transformation

Accenture

Jun – Sep 2025

Bangkok, TH

- Mapped 20+ enterprise lending workflows, translating requirements into decision logic adopted by a cross-functional team of 15+.
- Identified 8+ critical bottlenecks and turned technical findings into executive-ready visual documentation, presenting directly to senior client leadership.

Director of Membership / Consultant

Technology Consulting Association @ UW

Jun 2025 – Jun 2026

Seattle, WA

- Led discovery and stakeholder interviews for a client engagement, defining 15+ KPIs and information architecture for an operational dashboard.
- Partnered with technical teams to validate feasibility, then designed and presented visual-first, structured recommendations to senior leadership.

SKILLS & INTERESTS

Technical: Python, SQL, R, Excel/Google Sheets, dashboard design, basic HTML/CSS

Content & Social: content creation, social/Gen Z trend fluency, campaign brainstorming, brand storytelling, event content capture

Creative: Figma, Canva, Adobe (basic), copywriting, visual brand direction, R (data-informed content strategy)

Product & Ops: cross-functional collaboration, stakeholder coordination, project management, fast-paced execution

Personal: Bar hopper and nightlife enthusiast with an ear tuned to scenes across Ibiza, NYC, Bangkok, and beyond; always the first to find the next bar, playlist, or trend worth sharing
